

Shabbat service attendance is important. A student's service attendance records are evaluated regularly from Gimmel upwards.

Poor service attendance, plus poor school attendance and grades, could result in a student not being promoted to the next grade and could impact on that student's Bar or Bat Mitzvah preparation with the Rabbi.

Low service attendance for Gimmel, Dalet and Hey can be made up over the summer, to be completed by the beginning of the next school year. Summer service attendance will not count towards the upcoming school year's requirements for Gimmel, Dalet and Hey.

Vav and Zayin must have their attendance requirements completed prior to their Bar/Bat Mitzvah date. To accommodate this, Vav and Zayin are permitted to accrue service attendance over the summer so they can fulfill all their service requirements before their Bar/Bat Mitzvah.
