

Dear TBS Members,

My name is Noah Goldberg and I am in seventh grade. I will become a Bar Mitzvah in May of this year. My torah portion is about leadership and being a good role model. So, for my mitzvah project, I would like to become a leader in helping the environment. With your help, I will be collecting electronic recyclables and bringing them to the recycling depot. Some electronics that can be recycled are:

- Cell phones
- Small appliances
- Televisions
- Stereo equipment
- VCRs & DVD players
- Computers, printers and peripherals

My father and I are available to pick up items at your house on February 9<sup>th</sup> and 12<sup>th</sup>. If you have any items, please call or email me prior to the dates above. My email is [hjmngold@optonline.net](mailto:hjmngold@optonline.net). My phone number is 201-307-0801. Happy Recycling! Thank you for your help!

Noah Goldberg
